Make it count!

Complete the table below to work out how much you could have in savings by the time you leave Year 11!

£	
<p>Pocket Money</p> <p>Do you receive pocket money or money for doing jobs around the house?</p> <p>If weekly x 52</p> <p>If monthly x 12</p>	
<p>Gifts</p> <p>Other money you receive during the year:</p> <p> Birthday presents</p> <p> Christmas/Celebrations</p> <p> Achievements</p>	
<p>Total amount I <u>receive</u> in one year</p>	
<p>This is the amount I would like to <u>save</u> in one year</p>	
<p>Future Jobs</p> <p>This is money you could earn in the future from jobs such as a paper round or baby-sitting. You could also get a part-time job with more hours when you are 16. Include these earnings here.</p>	

£	
<p>Now multiply the total amount you could save in one year by the number of school years left until the end of Year 11</p>	

£	
<p>This is the amount I would like to save from my future earnings</p>	

“By the end of Year 11, I could have saved £”
